5.4 Acceptance of Offer

Athletes will be required to accept an offer under the same conditions as set out in clauses 4.3 and 4.4.

6. VALIDITY OF MEMBERSHIP

ASCYT membership is valid from the time of acceptance of offer of a team position until one month after the next selection event. In that one-month period, a member who joined the new team and was not part of the preceding year's international youth team can also register to international events if there are spots available. Priority will be given to the preceding year's team members.

7. DISCIPLINARY PROCEDURE

Once climbers have obtained a place on the ASCYT, they are expected and required to conduct themselves at all training events and competitions in a manner that befits an ambassador of the sport and in line with the code of conduct outlined by SCA. In addition, members are required, unless extenuating circumstances arise, to attend all specified National training camps and events as well as maintain a training program agreed upon by the National and State (or individuals) coaches. Failure to follow these guidelines will result in the issuing of a yellow card. Two yellow cards will mean the member is immediately **suspended from the ASCYT** for a period of time, as decided by the SCA board.

In addition to this, athletes will be required to sign a code of conduct when they accept their place on the ASCYT, as well as meet bench-mark standards at training events and regional competitions to ensure that athlete performance is being maintained throughout the year.

Athletes who are unable to maintain competitive standards at events will be given a yellow card. Athletes will then be expected to increase their competitive standard before the next event (training camp or regional competition). If these standards are not met for a second time, athletes may receive a red card and lose their place on the ASCYT.
