Important note: it is essential if you enter these categories that you are competent and experienced at lead climbing (not just top-rope) and have been assessed in lead climbing by your home gym. Proof may be required. If you are not competent in lead, do not enter these categories – wait for the tour de corde top-rope social series.

5.02 Youth C and Youth D categories will **top-rope** all routes.

Competitors will complete 2 routes flash format (i.e. one attempt at each route). This will be followed by an onsight final for the top 8 climbers in each category.

5.03 NSW/ACT State Champion in each category will be decided by **placing in the onsight final** according to the [SCA rules](#). Count-back to the heats will be used in the result of a tie in the final. Podium places and prizes will be awarded to the overall first second and third place getters in each category regardless of which state they are from. National ranking and team selection will be count separately for NSW and ACT competitors.

5.04 Climbing Procedure

- a) An attempt shall be deemed to have started, and measurement of the climbing time shall start, when every part of the competitor's body has left the ground.

b) An attempt on a route shall be considered successful if the route has been climbed in accordance with the rules and if the rope has been clipped into the karabiner on the final quickdraw of the route (or two hands are placed on the final hold of a top rope climb for 3 seconds) within the fixed time period for attempts.

- The fixed length of the climbing period in the **Qualification** round shall be **six (6) minutes** for each route.
- The fixed length of the climbing period in the **Finals** rounds shall be **eight (8) minutes** for each route.
